2:00-4:00 PM Cruise the lovely Ohio River on the oldest operating steamboat in the United States. There will be a Bluegrass Band performing or go topside to view the scenery.

After the cruise, anyone who wants to come is invited to the Tilfords for a small tech session and whatever we can find to eat. Stay as long as you want, but I go to bed at 10:30.

We sincerely hope you enjoy what we have planned and will participate in as much as possible. Naturally children are welcome at all events.
